Product Alert

April 28, 2014

Type of Notification: Counterfeit

FM Approvals has been made aware of a falsified Certificate of Compliance (CoC) issued on FM Approvals' letterhead. The document (attached as Fig. 1) is a scanned image of the falsified CoC misrepresenting Cleanroom filters made by VAF Manufacturing in Viet Nam as FM Approved. We attempted to contact VAF but they were not reachable.

Company Identity: VAF Manufacturing (Viet Nam)

Address: Dong An II, Thu Dau Mot,
Binh Duong -Province- Viet Nam

Contact: Unknown

Product Identity: ULTRACEL II for Cleanroom Filter Application

Make/Model: Ultracell II

Geographic Area Impacted: Viet Nam

FM Approval Status: Not FM Approved

Hazard Involved:

The products described in the Certificate of Compliance in Figure 1 below have never been tested or certified as FM Approved. Since there is no evidence these products have ever been tested to the rigorous requirements of FM Approvals, we advise that use of these products present a serious property risk for the user.

If you are in possession of any of the products depicted on the false Certificate of Compliance in Fig. 1 and bearing the FM Approvals certification marking, please bring that to the attention of:

Fig. 1 – Counterfeit Certificate of Compliance

This document is a falsification of an FM Approvals' Certificate of Compliance. This document has been altered and misrepresents the Ultracell II Cleanroom filter products as FM Approved. FM Approvals did not issue the pictured Certificate of Compliance. Any claims otherwise are false.
